++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright on Friday.

Today:
A dry and bright day with good sunny spells expected. Becoming rather warm inland after a chilly start, but slightly cooler around some coasts due to onshore winds. Maximum temperature 14 deg C (57 deg F).

Tonight:
Some good spells of early evening sunshine, but cloud soon increases from the west to give a dry but cloudy night. Light winds, but milder than previous nights. Minimum temperature 2 deg C (36 deg F).

Saturday:
A dry day. Rather cloudy, but some good spells of sunshine, particularly in the afternoon. Maximum temperature 15 deg C (59 deg F).

Outlook for Sunday to Tuesday:
A cloudier few days. Outbreaks of rain at times, most persistent on Monday. Rain clears on Tuesday to drier brighter conditions.
